Notes and Reminders:

- Early Release - Wednesday, December 4, 2019 - 2 p.m.
- Please return Fun Run sponsorship forms as soon as possible. Rumor has it that our class is quite close behind the grade leader. :)
- It would be great to have more legos for our class STEAM projects. There was a good deal at Costco recently. If anyone happens to be there and wants to pick up a box for us, that would be great!
- Save the date for Winter Rotations - Thursday, December 19. An email will be sent soon for signing up to help or send materials.
